

# Weeds, indeed!

*An Educational Presentation on the Control of Submerged Aquatic Plants  
in Long Meadow Lake in Bethlehem, Connecticut.*

- Learn the invasive aquatic plants that threaten water systems in this region
- Learn to identify these plants and become more responsible to the natural environment you love.
- Learn the law.
- Learn what's being done and what you can do.

Attending this presentation qualifies Bethlehem residents to hold a key to the Bethlehem Town Beach boat launch so residents can launch using trailers. Remember - internal combustion motors are prohibited.

The Presentation is provided by:
